

## **The Company**

Butos AG are distribution- and integrations partner of TIBCO, EBX Solutions for Switzerland (Wettingen). We use the Suite EBX for Master Data Management (MDM). The topic of data management is becoming increasingly important as a result of digitization and cost savings for our customers. Digital Transformation, Data Management and Compliance are major topics in today's market.

EBX is one of two leaders im Gartener Magic Quadrant for multiple domain MDM solutions. The complete topics focus on Master- and Reference Data Management and Meta Data.

Our MDM projects are about:

Customer guidance, typical business analysis topics, project management, data modelling, EBX customization, Java API development, integration architectures etc...
